

# January Newsletter

Welcome Back Dancers!

We hope that everyone enjoyed their Christmas holidays and took time to celebrate with family.

The Christmas rehearsals and demos were a huge success. Thank you to everyone who helped to make it so successful. We hope that you enjoyed seeing your dancer shine on stage and are excited to see what the Spring demo will be.

A new year means a new term. Term 2 (January – May 2022) begins MONDAY JANUARY 3 and we cannot wait to see your smiling faces at the studio again. If your dancer is 12 years of age or older, please check your email as there is a new check in requirement for this week only.

Term 2 invoices have been sent via DSP, please ensure payment is made as soon as possible. If your dancer is interested in adding to their class list, please check DSP for available spaces and if you have questions please feel free to contact us via email.

As a reminder, the lobby will remain closed to parents for viewing/waiting for their dancers – it is to be used as a transitional space only. If you must enter the studio to assist a young dancer with coat/boots please ensure you are wearing a mask. Dancers are also required to wear a mask while inside the studio. Teachers may decide to allow dancers to remove their masks only while dancing.

As winter drags on, please practise good housekeeping to keep the lobby a dry & safe space for our dancers.

- 1) Please keep boots & shows on the mats. It is no fun to dance in wet tights.
- 2) Please hang your bags & jackets on the hooks. Items left on the floor are a trip hazard.
- 3) Boots and warm socks can mean sweaty feet and sweaty feet can be stinky feet. Acro & Contemporary dancers please ensure you have clean & dry feet for class.

There are a few spots available on the MDA executive. If you are interested in joining our parent volunteer team, please email us. We would love to have you join us. Not sure, have questions, please feel free to contact us via email.

If you have any questions or concerns, please feel free to reach out to any member of the executive team. We look forward to dancing with you in 2022.

Thank you,  
Lisa Booth
